August 2011 News

OUR BUSIEST MONTH...

We have been out and about lately and it won't stop this month either. You may have seen us recently at Sheepvention sponsoring the fashion parade. We hope all who attended the opening night enjoyed their little goodies bag and we look forward to seeing you in the Spa. We are now planning our next event which is the wedding expo on the Sunday 14th August. If you're a future bride, come along and see what's on offer but most of all don't miss the Your Beauty Stand. We will be offering EXCLUSIVE Packages only available on the day and live demonstrations. Everything you need for the big day and all the things you haven't thought about.

Chris has been to Sydney to pick up the latest techniques in Cosmetic Tattoo for Breast and brows. This is the second workshop specifically devoted to Areola creation that Chris has attended over the years—if you have family and friends that have had breast reconstruction after breast cancer, then they may appreciate knowing that they have a skilled Cosmetic Tattooist who loves creating aerolas for women at the end of their cancer journey

We have just celebrated our Christmas in July Staff Party, where the prize for the best all-round performers were Jess Hedley and her man Ash - for their 'amazing' efforts on the night they won a flight centre voucher worth \$200 and 5 nights accommodation on the Gold Coast. Merry Christmas Jess and well done to all superb cooks - who needs Masterchef - especially when Kylie and Al are cooking the Lamb!

Chris, Natasha and Cecelia are off to the Sydney Beauty Trade Show to research all that is new in beauty, health and spa. We will also be attending courses, conferences and the DMK Annual Award Dinner - we have to dress as our favourite royal - anyone with a spare Tiara or Marie Antoinette Wig?

We love to support a good cause and we are currently going to be touring the country. Our Logo will be proudly displayed on the 'Footrot flats' themed car for the S.A Children's Variety Bash. What a great cause and event it is!!!

SMS - Please don't rely entirely on getting an SMS appointment message to remind you of your upcoming appointment - we all know that system glitches can and do happen and we would hate you to miss out on your treatment!

More and more research is being done
on how our gut function contributes to
many health and mental conditions.

Did you know that 80% of our
hormones are produced in our Gut?
So just imagine what's happening if
your gut is in poor working condition.

- Allergies
- Thyroid
- Acne
- Polycystic Ovaries
- Poor immunity
- Irritable bowel syndrome
- Eczema, psoriasis, rosacea

The list is endless but the solution is effective with
our **DIGESTIVE TUNE UP**

Using Chinese medicine this programme will eliminate
bad bacteria, repair the stomach lining and increase
beneficial prebiotics.

**1 MONTH TREATMENT VALUED @ \$157.50
YOURS THIS MONTH FOR ONLY \$125**

*"I did the programme after the holiday/xmas season. You
over indulge on the wrong foods and drinks during the festive
season and by the end I was feeling lethargic and just
horrible. During and after the Digestive tune-up I didn't realise
how bloated I actually was and it made me more aware of
how healthy or unhealthy my body is. I'd recommend anyone
to do the Digestive tune-up, even if you think you haven't got
anything to fix. I'll be doing another one mid-year and I know
my body will be thanking me for it" KW*

THIS MONTHS, MUST HAVE!

Direct Delivery Vitamin C is your answer to preventing and reversing the signs of ageing. Formulated to tighten and improve skin texture this wonder product contains pharmaceutical Vitamin C which will assist in the treatment of sun damage, fine lines, aging and pigmentation.

What others are saying about this product...

It is no secret I adore everything DMK creates, but if I had to pick only one product I could use from his line for the rest of my life, I would pick this one. Vitamin C is what I call a 'miracle worker' when it comes to skincare, but only if you have it in the right product. Before I tried the DMK Vitamin C serum I thought the whole ingredient was a bunch of hoopla. I tried so many types and none of them did anything for me. This one truly works. It makes me skin vibrant and evens out most of that 'dirty' skin tone I get around my mouth. -"theplasticdiaries"
